

Dear **Tamanna Bansal**,

Congratulations on your "Bravo" award.

You have done a fabulous job and we appreciate your professionalism, dedication and efforts.

Keep up the outstanding work and continue to Rise!

There were many critical security vulnerabilities detected during scanning of ESPCARE II & Enhanced Bill Info applications. Tamanna had contributed immensely for resolving those vulnerabilities and delivering through various MWRs without single ST\Prod defect. In a very short span of time she has learned multiple applications and able to work on each of them. Apart from her technical ability her attitude towards work is really commendable.

Best Wishes,

Sanjay Singh
